Jafar Hassan**

” The government looks forward to approving the proposed amendments to the Cooperative Law, given its importance in the governance of agricultural cooperative societies, and establishing the Cooperative Development Fund and the Cooperative Development Institute to train and qualify national cadres to manage cooperatives. To enhance its capabilities and develop its performance ”

2024

Jordanian Cooperative Corporation

Chairman of the Board of Directors
Minister of Agriculture -
Eng. Khaled Al-Hunifat

“

The cooperative sector, during the reign of His Majesty King Abdullah II, witnessed a qualitative leap and a stronger presence in society in light of the royal visits to many cooperatives, and the continuous directives of successive governments to enhance cooperative work as one of the Operational and development windows

**We will continue to support
.cooperative societies of all kinds**

”

2024

Jordanian Cooperative Corporation

General Manager

Abdul Fattah Al-Shalabi

The developmental role of cooperatives emphasizes the importance of cooperatives in building a better future for humanity as a whole, as cooperatives contribute to creating decent job opportunities for individuals, support the principle of gender equality, and enhance the global cooperative identity and values. Democracy among cooperative members.

Support the cooperative sector

► Support the implementation of agricultural projects

The Council of Ministers decided to allocate 4,000 dunums of Jordan Valley Authority lands in the Wadi Araba region to be used in agricultural projects with the aim of achieving food security, by agricultural associations across the Kingdom.

► Financial support

Facilitating the access of (27) cooperative societies to financial support from donors (local or international) with a total value exceeding 2.89 million dinars, in order to implement development projects in various fields, including: agriculture, economy, production, and tourism, at the level of the Kingdom.

2024

The Foundation received an initial delivery of the Wool Collection and Packing Center, which was implemented by the United Nations Development Program (UNDP) with funding from the Environmental Compensation Program. The project was established on land allocated to the Foundation by the Ministry of Agriculture, in a site attached to the Jubilee Forest in Qatraneh, Karak Governorate, on an area of 20 dunums. The project is expected to contribute to providing more than 150 direct job opportunities on the cumulative path, in addition to 250 indirect jobs.

The Corporation obtained the approval of the Council of Ministers to exempt the debtors of the Cooperative Corporation (Cooperative Bank loans) from (50%) of the interest and fines due on their loans, provided that the value of the loan is paid

2024

Jordanian Cooperative Corporation

Legislative amendments

In implementation of the administrative reform plan and the provisions of the National Strategy for the Cooperative Movement (2021-2025)

1- The Council of Ministers approved the reasons for the draft law amending the Cooperative Law for the year 2024, within a set of decisions related to the vision of economic modernization and the roadmap for developing the public sector. The draft law includes the establishment of the Cooperative Development Fund as a financing window to provide grants and loans to cooperatives, and the establishment of the Cooperative Development Institute to enhance and build the capacities of the institution's cadres and cooperative members.
